BASIS Charter Schools

For more than 25 years, BASIS Charter Schools have raised the bar for K-12 public education. We are proud to be the #1 school district in Texas. We prepare students to succeed in college and beyond, equipping them with the skills and confidence to achieve their personal aspirations.

Open-Enrollment, Tuition-Free

At BASIS, every student receives a globally competitive education with no tuition fees. Our well-rounded curriculum blends rigorous STEM subjects with the arts, fostering both critical thinking and creativity.

A Community of Individuality

Our schools celebrate self-expression. Without school uniforms, our students thrive in a supportive community that values academic achievement and personal growth.

Student Life & Culture

At BASIS Richardson, we are thankful to have a tight-knit community of students, parents, and teachers. We strive to cultivate a lifelong love of learning through hands-on dynamic activities. During the day, students learn about subjects such as Engineering, Science, Math, Mandarin and Visual Arts. To balance out their learning, students have the ability to participate in other activities, some of which may include:

- Before & After School Programs
- Extracurriculars & Student Clubs
- School Dances/Prom
- Student Performances
- Music & Art classes
- Intramural Sports
