EDUCATION is an investment. Ours is TUITION-FREE.

BASIS

TEXAS
Charter Schools

BASIS Texas Charter Schools, are part of the highest-performing tuition-free, public-school network in the U.S. Our commitment to tuition-free education ensures that your child's academic excellence won't come with a price tag.

At BASIS Texas Charter Schools, the opportunities for our students are as boundless as their potential. **Our unique curriculum seamlessly melds the realms of STEM-infused education and the liberal arts**, providing a holistic and diverse educational experience that nurtures both scientific and creative thinking. From the earliest years in our primary schools (K-3), we ignite curiosity and instill a lifelong passion for learning, preparing students for success in the upper grades (4-8) and high schools (9-12). With an unwavering commitment to establishing a rock-solid academic foundation, we empower our students to craft extraordinary futures.

Our only school uniforms are individuality and self expression!
